Property Description

Open country views from this luxury detached 6 bedroom property sitting in 4000 m2 of gardens and pool. This superior detached home sits beautifully in 4000 m2 of mature gardens which surround the house and include a good sized swimming pool and outdoor kitchen plus a garage and workshop. The plot is fully fenced and has gated access to the drive that winds through the garden to the front door.

South facing this large family home commands great unobstructed views across open countryside whilst being private and not overlooked. The property is situated just 1km from the pretty town of Humilladero which has a variety of shops, bars/restaurants and a supermarket. The high speed rail link of Santa Ana is only a five minute drive and Málaga airport is under 50 minutes by car and 35 minutes by rail.
