Property Description

Reduced by 20,000€ Uniquely located overlooking the main plaza of Alhama de Granada this traditional large family town house needs some renovation but offers a rare opportunity to own a large residence in a row of properties reserved for the town hall, tourism office and local police station. Currently with 6 bedrooms and two bathrooms this property would make a fantastic family home or holiday letting business at the very heart of this ancient Andalusian spa town.

Constructed over four floors the property has a large entrance hall with bodega (wine/beer cellar) off. The entrance hall leads through to two further downstairs rooms, 1 being an old kitchen and ground floor bathroom. On the first floor there is a double bedroom with views directly onto the square, small lounge, dining room and corridor leading to the current kitchen.

On the second floor there are two double bedrooms, a single bedroom and a large shower room.

On the third floor there are two double bedrooms, one with views over the square and the rear bedroom with access to a good terrace at the rear.
