Property Description

This stunning villa features an architectural design based on straight, functional lines that allow perfect privacy without altering its aesthetics as a whole.

Access doors to generous independent garden and automated garage. The gardens have a drainage, irrigation and lighting systems.

The wonderful private pool of 6'00 x 3'00 m, located in the back garden (thus taking advantage of the longest sunlight due to its Southeast orientation), is characterized by its unique enclave, surrounded by vegetation and a large porch with direct access to the living room.

All units are oriented to the Southeast, making the most of natural lighting and ventilation.
