## Property Description

Modern luxury villa, located in a prime area of Vilamoura!

Characterized by its large rooms and generous areas, from the garden to the bedrooms, this elitist space fulfills the requirements of even the most demanding in terms of comfort and refinement.

The villa welcomes us with a generous living room with an open space kitchen, always overlooking the garden, where the pool that surrounds the property on two fronts stands out, reminding the canals of the city of Venice, which gives the name to this villa .

Also on this ground floor, we find a suite room, with shower, which leads directly to the garden and a service toilet.

On the first floor, the remaining three bedrooms are present, also all en suite and with balconies overlooking the pool. Here, we have access to the top floor where there is a huge terrace with a 360 degree view.

This property also offers a garage in the basement, with space for two cars in addition to the parking space that is outside.
