Property Description

Fantastic 13 rooms building with working bakery in traditional lines with an excellent location in the capital of the Algarve - Faro.

Building with 13 rooms with an area of 332 m², on the ground floor the bakery Padaria Lisbonense working and on the 1st floor a family housing building with a fantastic architecture. Building with detail of the architecture of the streets of the city center of Faro.

Fantastic investment opportunity, it is also a professional building with a fully functioning bakery in a privileged area of the city (with business and client portfolio) or reconversion as it is a building with charisma and soul where you can transform it into one of the most appealing investments in the region aimed at Algarve Tourism.
