Property Description

Historic building to be recovered in the center of Olhão, with 2 fractions, located on the first floor. One of the fractions was partially remodeled, and the other is still to be remodeled.

The property consists of 2 independent apartments, which can be used as a house floor.

One of the apartments consists of 3 bedrooms, living and dining room, kitchen, pantry and bathroom.

The other apartment consists of 2 bedrooms, a living room, kitchen and a bathroom.

A 44 m2 terrace serves the two apartments, it also has a spacious storage room on the ground floor.

This can be an excellent opportunity for a Guest house or local accommodation, given its characteristics.

A five-minute walk from the embarkation pier of the Armona, Farol and Culatra Islands, and from the fantastic market in Olhão, which excels in fresh fish and regional products.
