One of the most picturesque residential areas at Hacienda del Álamo is the Pueblo Español (Spanish Village). Should you decide to live here, it will be like living in a typical Spanish "Pueblo" inside the resort. Soon you will find a variety of businesses, shops, restaurants, and bars of all kinds, giving life to this hub of activity near the hotel, spa, clubhouse, and golf academy. The Spanish Village offers a wide range of properties, from 1 bedroom apartments up to 4 bedrooms, as well 3 bedroom townhouses with private garden. The typical town square is a natural viewpoint overlooking the golf course, with a great atmosphere on those nights you want to "go out" without leaving Hacienda del Álamo.

Hacienda del Alamo Golf Spa Resort offers a great variety of properties, from one-bedroom apartments to bespoke villas, each with their own special features. What these properties have in common is superior quality. Hacienda del Alamo Golf Spa Resort is a complete sports resort with direct access to the golf course of 18 + 6 hole, PGA championship golf course designed by Dave Thomas. At 7.300 yards, this is the second longest golf course in Spain. You can also find facilities like paddle and tennis courts, football field, a large wellness centre with spa, gym and aerobic classes, conference rooms, a gastronomic area composed for international cuisine, The D'Costa Supermarket and the Unique Beauty Salon.
