Property Description

In the city where the Portuguese Royals used to spa, an impressive almost historic 3 floors building in 680 m2 lot - city centre of Caldas da Rainha
Building with great potential given its excellent area, location and outside space, in the city of Caldas da Rainha, near Encosta do Sol. Has 3 floors, annex with garage and outside space. Needs renovation works to bring it back to its former glory.
Excellent building to transform into housing, Accommodation or even turn into a 4 floors building.
