Property Description

A class on its own!

Located in the first luxury private condominium in Faro, the development in construction offers new build luxury apartments with types from 1 bedroom to 3 bedroom units

In the large central garden, with orchard and beds of aromatic and culinary herbs, you will be able to cool off in the heated salt water pool. You can enjoy the warmth of the sun on the sun loungers in the solarium or enjoy leisure activities in the shade of the trees. Children also have a well-equipped swimming pool and playground. And whenever you need, you can use the maintenance equipment that is at your disposal in a specific area of the garden.

The apartments have extensive balconies and barbecues, which allows you to create an open-air atmosphere in your style, with space to enjoy the enviable Algarve climate or meals with family or friends.

The penthouses also have private terraces with a jacuzzi.

Kitchens equipped with high-end appliances with energy efficiency A or higher, electric shutters with central locking, reversible air conditioning, security doors, video intercom system and video surveillance system, complete the levels of comfort and security.

Finishes with three concepts to choose from: city, beach and mountains.

6 minutes from Faro airport, 6 minutes from the historic center of Faro, you can benefit from important public infrastructure and services for the region such as hospital, schools, university and various cultural and leisure options.
